

## Complex Laguna Beach 4\* - Sozopol

In a picturesque setting between a small river and the sea, the development has a built-up area of 5000 sq.m and another 10 000 sq.m of landscaped surroundings.

Unique as a concept, Laguna Beach Resort & Spa consists of two parts. Half of the complex is being sold as holiday homes and the other half will be owned by developer, and run as a hotel.

### Laguna Beach Resort & Spa consists of:

- 71 luxury self-catering flats (spread between 6 Villas and Apartment Block)
- 46 hotel rooms + 10 suites

Every small detail has been designed with relaxation in mind! This is a complex for those who want to escape! The complex offers an idyllic retreat from the maddening crowd, but with excellent facilities plus quick and easy access to all attractions and 'must-do's' in the region.

It is not just family friendly – it is a place for all generations. You could come with your children and your parents at the same time – and you would feel relaxed!

Wake up, have some breakfast in bed, have a shower and go down to the pool with a book. In fact, you might as well go to the beach, it is only 25 yards away!

Your home at Laguna Beach Complex is right on the beach which means you and your family can indulge in the pleasures of a beach resort lifestyle. Whether you seek relaxation of mind, body, spirit, or you seek beauty enhancing skin care or you simply want to be pampered, Laguna Beach Complex is the place for you.

Rest, 'disconnect' in pristine natural surroundings.

All buildings ( villas, block & hotel) are close enough to complete the full picture of nice Resort & Spa Complex, but are distant enough to keep the privacy feeling and escape.

Natural green areas and sandy dunes remain untouched, while different improvements have been planned so our clients to have a chance to meet all treasures of the nature – Small River cleaned and refreshed new green areas in & out side.

Every window, every terrace door have been designed with the main concept to open up unseen landscape, sea view and relaxing nature.

You don't just visit the location – you get the feeling that you want to come back time and time again.
